These fellowships are primarily clinical with sessions available for research and teaching. All of the above positions are fixed-term and would suit those who have either completed or are nearing the end of their formal anaesthesia training but are seeking additional structured training in any of the above specialities. You will be working with highly skilled and innovative colleagues in state-of-the-art facilities. You will experience the great outdoors of New Zealand and also enjoy metropolis living in the city which has been voted the 5th best in the world in 2010.

For more detailed information and to view a position description, please visit our website [www.careers.adhb.govt.nz](http://www.careers.adhb.govt.nz) and apply online quoting the relevant reference number. Please provide full contact details including email addresses of three clinical references in your CV. Your referees will be contacted before short listing for interview. You are welcome to apply for more than one vacancy. For help with your online application, please contact **Sonu Anand** on [sonua@adhb.govt.nz](mailto:sonua@adhb.govt.nz) quoting the relevant reference number.

**Closing date is 17 April 2011.**
